Party Registration Elector Signatory Petition

Alberta Statehood Party needs to complete full registration as a provincial political party. In accordance with Alberta Elections laws, <https://www.elections.ab.ca/political-participants/>, the method that we have chosen is to collect Albertan voting citizens' signatures. The best reference to see if you qualify as a voter may be found at this official site, <https://www.elections.ab.ca/voters/who-can-vote/>.

The form has to be completed by the old-fashioned physical, manual 'handraulic' method. No digital signatures are permitted by the provincial Chief Electoral Officer. We need 8,473 elector signatories for the petition. If you, your family, your neighbours and friends are interested in being a signatory, please fill out this pdf form and mail it.
